FROSTWOOD GENERAL NEWS

PTA PRESIDENT'S MESSAGE - Talk about a homerun! The Field of Dreams Auction was a huge success thanks to Team Captains Julie Brink, Holly Carr, Christy Engvall, Amy Hubbard, Regina Lane, Anita Ramke, Kristi Robishaw and Kristi Voinis. The decorations were awesome from the tunnel and locker room to the Trophy Room and fun table decorations! The silent and live auctions had so many things that I wanted (and got outbid on!) and what a treat to hear one of our own Frostwood parents, Gabriel Rio, sing the National Anthem. Thanks to all of you for coming out and supporting our team! *Tracey Rogan, PTA President*

DISCOVERY CENTER CHAIRMAN NEEDED - With our new science lab up and running, we are in need of a couple of parents to fill chair positions for the Discovery Center. In the past, there has been a K-2nd chair and a 3rd-5th chair. If you are interested in coordinating volunteers for upcoming science labs, please contact *Tracey Rogan* at rogans6@gmail.com for more information.

BOOK SWAP COLLECTION STARTS TOMORROW - Frostwood's annual Book Swap Collection begins tomorrow! Please bring up to **five (5)** gently used books to the cafeteria or gym before school on **Wednesday, March 5th; Thursday, March 6th and/or Friday March 7th**. Students will be given up to five (5) coupons to use to trade for books at the Book Swap, which will be held during school hours on **Tuesday, March 11th**. Books geared toward grades 3-5 are greatly appreciated. Please try to avoid bringing books appropriate for babies or preschoolers. This is a perfect way for your child to get new books to read over Spring Break and meet the goal for the Hop To It Reading Challenge! *Whitney Gormley & Ara Hardig, Book Swap Co-Chairs*

REGINELLI'S FROSTWOOD RESTAURANT NIGHT - Visit (in store or delivery) Reginelli's Memorial City **TOMORROW, Wednesday, March 5th**, and they will donate 10% of all proceeds back to Frostwood. Just write "Frostwood Elementary" on your receipt and turn it into your driver or server. If you choose to dine in the restaurant, there will also be a raffle with a drawing held at 8:30 for a build-your-own pizza party!

FROSTWOOD GENERAL NEWS

AUCTION NEWS - The Big Game is over and it's time for all of **Team Frostwood** to celebrate on the pitcher's mound. We are thrilled to announce that due to the incredibly generous support of Frostwood families and our neighborhood businesses and friends, our auction netted over **\$340,000!** This money will be used to fund our wonderful Spanish program, language and math enrichment teachers, paraprofessional positions, outdoor tables and benches, and other PTA initiatives.

We would like to add to the long list of thanks on the pages at the end of Tiger Tales, the *Auction 2013 Committee*. We couldn't have made it through auction without you! Also, a heart-felt thank you to our supportive advertisers; *Brad Jennings Orthodontics, Cadence Bank, Charter Title Company, Corbel Custom Homes, D&D Construction, Fast Painting, Heights Plant Farm, Joann Lammons, Krueger Catalano, Long Point Roofing, Memorial Hermann Mischer Neuroscience Institute, Sacred Heart Emergency Center, Star Motors and South Texas Graphics.*

But, like in any good sporting event, the highlight reels are rolling. We still have wonderful parties and items available for purchase. Look for grade level specific information to be forwarded from room moms and general audience e-blasts. It is first come, first served, so be sure to check it out.

TEACHER APPRECIATION THANKS -The Frostwood Teachers and Staff enjoyed a "sweet and spicy" lunch on Valentine's Day thanks to our fabulous staff appreciation committee! *Cheryl Bregener, Meegan Klingberg, and Kara Uptegraph* shared their time and love as our luncheon hostesses and planned a wonderful event. Teachers and staff enjoyed Guadalajara chicken enchilada casserole, 'love' dip, "Sweet" cupcakes, homemade treats, and pink lemonade. Thank you to *Tracy Kettler and Stacy Farber* who warmed our hearts with their decor; the teachers lounge was transformed for Valentine's Day with pink and red hearts galore! Our heartfelt thanks go out to *Noel Graham, Elaine Khalil, Nadia Ramsey, Kathy Standige, Anita Ramke, Julie Sheets, Courtenay Nichols, Julie Perry, Sharalynn Fenn, Debbie Bang, Jenny Morace, Tonya Riner, Kristin Martin, Kim Krueger, Karen Odegard, Laurie Moody, Sharon Delorenzo, Janice Kalia, Regina Lane, Heather Rexrode, Sherri Arbour, and Monica Kolb.* The luncheon was a sweet success thanks to your monetary contributions and delicious homemade treats! And a special thanks to *Suzanne Pitman* for the heart shaped arrows she shot our way! Thank you to everyone on the staff appreciation committee for all that you do to show love to our teachers and staff! *Kim Overall and Heather Springer, 2013-2014 Staff Appreciation Chairs*

STRATFORD COLOR ME GREEN 5K RUN - The Color Me Green 5K run is a fundraising effort in support of the Stratford High School Fuel Up to Play 60 Program, an initiative co-sponsored by the NFL and National Dairy Council, which promotes a healthy lifestyle. The run is a non-timed event, and will involve abundant supply of green and gold colors that will saturate runners at each color. The race is Saturday, April 5 & is open to everyone. Both runners & volunteers are needed to make this a successful event. Proceeds will be used to help promote a healthy lifestyle at Stratford. See the website for more details at www.colormegreenstratford.com

LIBRARY CORNER

HOP-TO-IT READING PROGRAM - It's Hop-to-It time in the Frostwood Library again for all students in grades Pre-Kindergarten through Second grade. The purpose of the Hop-To-It Reading Incentive Program is to encourage a balance of reading Fiction and Non-fiction outside of school.

Objective of the Program: Students in Kinder and 1st grade will read 20 books, e-books, or non-fiction web reading (example: National Geographic online website about tigers), 10 non-fiction, and 10 fiction. Students in second grade will read a total of 400 minutes, 20 minutes a day reading both fiction and non-fiction. Parents will fill out the Hop-to-It Reading Log each time a child reads.

Reward: Students who fill out their sheet with number of books read will be invited to a special "Hop-to-It" party with games and fun treats, organized by Felicia Beaver and Courtenay Nichols in April. Each child will also receive recognition and a certificate, a bookmark, and an ice cream coupon for their effort.

Duration: The program starts on February 24th and goes through March 31st. Please help your child accomplish their goals. The log is going home with your child this week, or you can find the logs in the "Library" section of the Frostwood PTA website at <http://frostwoodpta.com/library/>

She was recently added to the 2010 American Booksellers Association list of Best New Voices. Coming from New York, she is bringing her fantastical stories from her life and writing adventures. To purchase a book for your child, please fill out the Blue Willow form from the website at <http://frostwoodpta.com/files/2014/02/Maureen-Sherry-Order-Form-pdf.pdf> return to Mrs. Branon by March 5th. *Lisa Branon, Frostwood Librarian*

ODYSSEY OF THE MIND

What is Odyssey of the Mind? Would your child enjoy being part of a team next year? There are two great opportunities coming up where you can get these questions answered. Odyssey leads kids on the journey of accomplishment...from creative thinking techniques to analysis, problem solving, time management, building, testing, and rebuilding, teamwork, and, finally, presentation skills...and well over 1 million kids around the globe participate in Odyssey each year because it does so in a way that is fun for many kids. Kids have been working since mid-fall on specific problems, and will present their ideas on two weekends, at locations wonderfully close to us, and you are encouraged to come watch:

March 8 - Houston Area Regional Tournament. At Paul Revere Middle School (on Briar Forest just west of I-8). First pass, many teams are just happy to show up with most of the required elements complete - Odyssey can feel very accessible to watchers (as in, some skits will leave kids saying "I could do better than that! Or, look for the Walnut Bend team, which has been mind-blowing in recent years).

April 12 - Texas State Tournament. At Spring Woods High School (north of I-10 on Gessner). The best performances from across Texas, usually very cool to watch (kids may feel Odyssey looks complicated, but feel inspired by the many cool and creative ideas).

To watch: skits start around 8am and continue roughly every 20 minutes until 3:30 or 4pm for each tournament. You can get a program describing the different problems and room location for each, and the schedule of all performing teams (so you can find and view any of the 4 Frostwood teams, if you wish!) at the Registration/Info table. Parking is not easy but is possible. Contact *Janice Teske, Frostwood's current Odyssey Chair*, for more information (the_teske5@yahoo.com). You can also learn more about Odyssey in general at odysseyofthemind.com.

This is starting today and if your student was one of the 20 per grade level that signed up, you should have received confirmation of this by now. If your child did not get to take part in this planting session, there will be several other opportunities to participate in the garden with the harvesting, weeding and summer bed prep work and future plantings. The planting schedule is as follows:

3:00pm - 4:00pm

Kinder, Second and Fourth Grades

Maximum of 60 kids working three grade level beds

4:00pm - 5:00pm

KSHAC & Green Tigers members stay and specifically work on the butterfly garden

Thursday, March 6

3:00pm - 4:00pm

First, Third and Fifth Grades

Maximum of 60 kids working three grade level beds

4:00pm - 5:00pm

KSHAC & Green Tigers members stay and specifically work on the butterfly garden

ORCHARD NEWS - Some of you may have noticed that there have been new trees planted in the back of the school. These are our wonderful new fruit trees! We now have an orchard of 20 trees with plans for more in the future. Twelve of them were recently planted and generously donated by *Han Ooi and his Frostwood Scout pack 747* and their families. It was a wonderful way to spend a Sunday afternoon. The other eight were donated by current 4th grade girls, *Kate Rexrode, Katherine Kettler and Kelsie Jarvis*. They requested donations be made to purchase fruit trees for our campus in lieu of birthday gifts, at their birthday party last Spring. Han Ooi has provided us with a listing and description of the trees we have in the orchard. See the website at http://frostwoodpta.com/?attachment_id=3251 to read all about them. As Han explains, "These tree will provide Frostwood with a year-round orchard where we will always have ripe fruit on some of our trees. I think we will have one of the very best orchards out of any elementary school in Texas once these trees mature."

GRANT NEWS - A lot of great new things have been happening since the last newsletter. We recently received notification from the Whole Kids Foundation that Frostwood has been granted \$2,000 for the Garden!!! The funds are to be used for the purchase of Ladybugs, Butterfly hatching kits and release nets, magnifying glasses, calipers, insect boxes, gardening books, insect and butterfly identification wheels, garden education, vegetable and flowering plants and seeds, mulch and compost. Many thanks to the Healthy Lifestyles power house grant writers. To date they have helped us receive a combined total of \$5,500 in grant funds for Frostwood's garden.

SALAD BAR NEWS - The salad bar continues to be available on Tuesdays and Thursdays on a trial basis. The last day of the trial is Thursday, March 13th. We hope you will continue to encourage your children to support the healthy option of the salad bar. Thank you to all the parents that continue to volunteer in the cafeteria on those days. If you are interested in volunteering, please contact Leah Smith at leahsmith@yahoo.com.

NEXT MEETING: The next Healthy Lifestyles Meeting will be on **Thursday, March 13th at 11:30am in the FWE multi-Purpose room.**

KSHAC NEWS -The next meeting for both Green Tigers AND KSHAC will be on **Thursday, March 13th at 7:15 am in the FWE Garden.** Green Tigers and K-SHAC will come together again to hear PJ Whitehouse from Heights Plant Farm give more information regarding our fabulous Frostwood Garden! We hope to see you all there!

Dear Parent or Guardian,

Join the Spring Branch Legacy!!! - You are cordially invited to **honor your 5th grade, 8th grade or 12th grade graduate** by making a donation in his/her honor to the *Fund for the Future Endowment Legacy 2014* program.

The *Fund for the Future Endowment Legacy 2014* program will recognize your student and perpetuate your family's commitment to providing every Spring Branch Independent School District student with an outstanding education. As the endowment grows, it will provide a secure source of long-term funding for enrichment programs that will continue to benefit generations of SBISD students.

Based on the donation level chosen, honorees will be recognized in the SBEF Annual Report, on the Spring Branch Independent School District website, on a plaque displayed at your student's school, at the Spring Branch Education Foundation's awards program and in the Houston Chronicle.

Funds donated to the endowment's *Legacy 2014* program will become part of an enduring, ever-expanding resource to provide new opportunities for students and teachers. Income from the endowment cannot be diverted outside our district or be used for any purpose other than to enhance the quality of the educational experience for SBISD students.

Because of your participation in the *Fund for the Future* endowment's *Legacy 2014* program, all SBISD students, regardless of economic, social, or cultural circumstances, will continue to have an unlimited opportunity for an outstanding education in order to pursue their dreams. Our community, our state, and our country will reap untold benefits from your support for decades to come.

Consider honoring your student's achievement by contributing to this legacy. Complete and return the enclosed form to the Spring Branch Education Foundation, 955 Campbell Road, Houston, Texas 77024, before the April 4, 2014 printing deadline.
