

**TIGER BUDDIES**  
**(formerly Newcomers Network)**  
**For New Families and “Experienced” Families**

**Tiger Buddies** is for families new to Frostwood who would like to be matched with families who have already been here and can help show them the ropes!

The PTA has set up a helpful network for our new families by assigning them a “buddy” to help during their first year by answering questions, etc. they may have.

- If you are a New family and would like a “buddy”, please fill out the form below and send to Alejandra Rincon (aleviloria@hotmail.com).
- AND if you are an experienced family who would be willing to be a “buddy” to a new family, we need you! Please fill out the form below and send to Alejandra.
