

Calling all Mathletes!

MATH OLYMPIAD - Calling all 3rd, 4th and 5th grade math enthusiasts to sign up for Math Olympiads! The Math Olympiad is a beloved tradition at Frostwood. It is an international problem-solving contest for school teams. There are 5 contests per school year given at Frostwood, yet the students are competing internationally against other teams that are their grade level. Thank you to the Frostwood PTA for sponsoring the Math Olympiad through the Project Study program!

Frostwood Math Olympiad teams will meet on [Saturday mornings from 7:30 am – 8:30 am via ZOOM](#) for review sessions and the five contests.

We are so lucky to have [Mr. Ross Attleson](#), a Frostwood 5th grade teacher, as our Math Olympiad coach this year.

[Our first practice session will be on October 24, 2020](#), and practices/contests will run through March 2021.

To sign up now, or ask questions, please email Vivian Holden at caramango8@gmail.com.

Please sign up as soon as possible because spaces are limited.

For more information, you can also check out the Mathematical Olympiads for Elementary and Middle Schools (MOEMS) website.
